5.0 FINANCIAL REPORT ENDING 31ST MARCH 2009

- 5.1 The Financial Report ending 31st March 2009 was presented by the Honorary Treasurer, Engr. A/Prof. Hayati bte. Abdullah as per pages 18 to 19 of the Annual Report.
- 5.2 Hon. Treasurer informed that the financial account statements, both current and fixed deposits, were higher as compared to the previous financial year. This was mainly contributed by the following factors: the Branch conducted numerous CPD Programs/Seminars and from the Members Dinner/Souvenir Programme.
- 5.3 Hon. Treasurer thanked the internal auditors, Engr. Goh Kian Heng and Engr. Teo Ki Yuee for their services rendered during the session 2008/2009.
- 5.4 Engr. Quek Swee Kim (M 5009) raised the following questions to the Hon. Treasurer and the Hon. Treasurer/Chairman/Hon. Secretary subsequently replied as follows:
- 5.4.1 Question: Engr. Quek inquired whether the Institution is required to pay any service tax as the Institution collected a lot of revenue from CPD Programs/Seminars.
- Answer: Hon. Treasurer explained that the revenues collected from members, for the CPD Programs/Seminars, are not subjected to service tax. The Hon. Treasurer added that the Institution has engaged an accountant/tax agent to go through the Institution's accounts, for proper accounting in compliance with the IRB/Custom requirements.
- 5.4.2 Question: Engr. Quek highlighted that the Institution's subsidy from IEM(HQ) has reduced and wishes to inquire IEM(HQ)'s criteria in determining the subsidy amount.
- Answer: Hon. Treasurer informed Engr. Quek that the subsidy is categorized into two (2) parts; one part is for the Branch's secretariat while the other part is dependant on the number of paying members in the Branch.
- 5.4.3 Question: Engr. Quek inquired why the drop in the number of Affiliates.
- Answer: Hon. Secretary explained that an Affiliate Member is a person who has had the necessary experience in a responsible position in engineering or a person who by his connection with engineering science or the arts or otherwise is qualified to contribute in the advancement of engineering knowledge and his practical training, complies with the relevant Bylaws and Regulations. It may be contributed by the movement/transfer of the Affiliates' residence to other IEM Branches. It was further clarified that Affiliate referred to an individual member and not organizational membership as per understanding of Engr. Quek.
- 5.5 Engr. Prof. Mohamad Afifi bin Abdul Mukti (M 1793) raised the following question to the Hon. Treasurer and the Hon. Treasurer/Chairman/Hon. Secretary subsequently replied as follows:
- 5.5.1 Question: Engr. Afifi inquired that the "income from rental of the building" is not found in the Income and Expenditure Account.
- Answer: Hon. Treasurer clarified that this item is located under "ADD: OTHER OPERATING INCOME – Rental".
- 5.6 Engr. Prof. Mohamad Afifi bin Abdul Mukti (M 1793) proposed for the Branch to continue to donate RM5,000 to the Building Fund of IEM(HQ) as well as to put aside RM3,000 for future disaster funds. As there was no objection from the floor, the meeting agreed in principle for the branch Committee to proceed with the donation, subject to overall financial standing of the branch, in which the Branch Committee has to use its discretion.
- 5.7 Engr. Prof. Mohamad Afifi bin Abdul Mukti (M 1793) also requested the Branch to reduce the CPD Programs/Seminars' commitment fees for retired Professional Engineers. The Chairman explained to Engr. Afifi that majority of the commitment fees is for the venue charges, printing charges, refreshment charges etc. He added that if corporate companies such as BlueScope Steel (M) Sdn Bhd did not sponsor these CPD Programs/Seminars, the Branch would need to charge the members even more than the current range of commitment fees.

- 5.8 Engr. Puen Tak Hong (F 5558) suggested that as the Branch has a large surplus for the current Financial Year, the Branch should award monetary incentives such as paid holiday trip for the secretariat staff, Ms Azlina Abdullah, in appreciation for her devotion and commitment to the Branch.
- 5.9 As there was no further clarification and amendment, the Meeting unanimously adopted the Financial Report as proposed by Dato' Engr. Prof. Dr. Alias b. Mohd Noor (F 4522) and seconded by Engr. Puen Tak Hong (F 5558).
