### 3.0 MATTERS ARISING

- 3.1 No matters arising.

### 4.0 ANNUAL REPORT FOR SESSION 2013/2014

- 4.1 The Honorary Secretary, Ir. Derek Cheah Kong Yew (M 14604) presented the summary of the 40<sup>th</sup> Annual Report which had been circulated earlier via email to all members. Honorary Secretary reported on the status of membership as of May 2014, and the Branch activities for Session 2013/2014 as presented on pages 10 to 15 of the Annual Report.
- 4.2 The following matters were raised by the members to the Executive Committee, and the Chairman/ Vice Chairman/Hon. Secretary/Committee Members replied as follows:
- 4.2.1 Raised by Ir. Quek Swee Kim (M 05009):  
Question: There is a drop in membership for the Member grade from 626 to 440. What are the reasons for the drop in membership?  
Answer: The Chairman explained that if a member's annual subscription remains in arrears for a period exceeding three years, the member's name will be removed from the register of members by the IEM Headquarters and the drop in membership for the Member grade is mainly due to such default.
- 4.2.2 Raised by Ir. Sim Tian Liang (M 07463):  
Comment: Ir. Sim congratulated Ir. David and the Committee Members for a very successful session. He noted that under the leadership of Ir. David and the hard work of the Committee Members, the Regional Conference on Liberalization of Services Sector was successfully organized and had generated an impressive surplus. Ir. Sim suggested that despite the drop in membership for the Fellow and Member grades, IEM (Southern Branch) should take advantage of the rapid development and the significant number of engineering firms operating in the Iskandar Region as an opportunity to increase IEM (Southern Branch)'s membership.  
Answer: The Chairman took note of Ir. Sim's suggestion and the incoming Executive Committee to consider the suggestion accordingly.
- 4.2.3 Raised by Ir. John Cheah Kam Loong (F 01186):  
Question: IEM (Southern Branch) has representatives in MBJB and MPJBT. Are we having those representations done well in the sense that we are able to have dialogues with the officers from MBJB and MPJBT in providing solutions to problems faced by engineers?  
Answer: The Chairman explained that IEM (Southern Branch) is well represented in MBJB and MPJBT. Our representatives do give feedback to the local authorities when required and they do bring back relevant issues to be discussed during the committee meetings. The committee did send out letters to all members requesting for any issues to be discussed with the local authorities. However, only Ir. John Cheah Kam Loong responded and a lunch meeting was organized for a discussion between the committee members and Ir. John. As a result of the meeting, the committee has agreed to arrange for a talk on the matter of the OSC.
- 4.2.4: Raised by Ir. Hassan Bin Sulaiman (M 15266)  
Question: OSC 3.0 has been gazetted in Malaysia except in Johor. He urged the incoming committee to raise this issue as OSC 3.0 is important to developers and consulting engineers as the present system poses many problems and issues to the consulting engineers.  
Answer: The Chairman took note of the issue and that IEM (Southern Branch) will do its best to bring the matter of the OSC 3.0 to the attention of the authorities.
- 4.3 There being no further comment or amendment, the meeting accepted the Annual Report as proposed by Ir. Puen Tak Hong (F 05558) and seconded by Ir. Hj. Zainuddin Bin Md. Ghazali (M 04945).

### 5.0 FINANCIAL REPORT ENDING 31<sup>st</sup> March 2014

- 5.1 The Financial Report ending 31<sup>st</sup> March 2014 was presented by the Honorary Treasurer, Ir. Wong Yee Foong (M 18146) as per pages 27 to 28 of the Annual Report.
- 5.2 Honorary Treasurer thanked the internal auditors, Ir. Teo Ki Yuee (M 05701) and Ir. Prof. Mohamad Afifi bin Abdul Mukti (M 01793) for their services rendered during the session 2013/2014.
- 5.3 Honorary Treasurer highlighted that the Regional Conference on Liberalization of Services Sector 2013 is the main contributor to the tremendous increase in the accumulated funds. The Honorary Treasurer acknowledged the effort by the Chairman and the Conference Organizing Committee in the successful organization of the conference.
- 5.4 The following matters were raised by the members to the Executive Committee and the Chairman/Vice Chairman/ Hon. Treasurer/Committee Members replied as follows:
- 5.4.1 Raised by Ir. Sim Tian Liang (M 07463):
- Question: Ir. Sim Tian Liang (M 07463) enquired on the difference between the 'subsidy from headquarters' and the 'secretariat subsidy from headquarters'.
- Answer: Honorary Treasurer explained that the 'subsidy from headquarters' refers to the subsidy given by the headquarters to IEM (Southern Branch) based on the number of members in the Southern Branch while the 'secretariat subsidy from headquarters' refers to the subsidy given to IEM (Southern Branch) based on the number of secretariat staff employed in the Southern Branch.
- Question: Ir. Sim Tian Liang (M 07463) enquired if both the ground and first floors of the IEM (Southern Branch) secretariat office had been rented out.
- Answer: Honorary Treasurer informed the meeting that both the ground and first floors of the IEM (Southern Branch) secretariat office had been rented out to a company involved in the bird's nest industry.
- 5.4.2 Raised by Ir. Quek Swee Kim (M 05009):
- Question: Ir. Quek Swee Kim (M 05009) enquired on why the increase in the members dinner expenditure due to the conference was not included as part of the conference's expenditure.
- Answer: The Chairman explained that for accounting purposes, the conference's expenditure was separated from the members dinner expenditure.
- Question: Ir. Quek Swee Kim (M 05009) enquired if the expenditure for the year ending 31<sup>st</sup> march 2014 was prudent and why the taxation was much higher than last year and if this increase in taxation is due to the conference.
- Answer: The Honorary Treasurer explained that most of IEM (Southern Branch)'s resources were focused on the conference resulting in lesser income from the CPD programs and other activities. Ir. Wong also explained that the taxation is not only based on the conference income but rental income also contributed to the taxation. Since a significant amount of the conference income came from the contribution and sponsorship of various agencies, Honorary Treasurer is in the process of appealing for a reduction in the taxation.
- 5.5 As there were no further clarification and amendment, the meeting unanimously adopted the Financial Report as proposed by Ir. Quek Swee Kim (M 05009) and seconded by Ir. Ling Ngie Soon (F 12685).

### 6.0 ELECTION OF INTERNAL AUDITORS FOR SESSION 2014/2015

- 6.1 The Chairman thanked the internal auditors, Ir. Teo Ki Yuee (M 05701) and Ir. Prof. Mohamad Afifi bin Abdul Mukti (M 01793) for their contributions and services as Internal Auditors for session 2013/2014. He then proceeded with the nomination process to elect two (2) new internal auditors for Session 2014/2015.

- 6.2 As proposed by Ir. Lim Soon Keng (M 07328) and seconded by Ir. Koh Thong How (M 05868), both Ir. Teo Ki Yuee (M 05701) and Ir. Prof. Mohamad Afifi bin Abdul Mukti (M 01793) were nominated as Internal Auditors for Session 2014/2015.

## SESSION HIGHLIGHTS

### • JB ENGINEER'S RUN 2014

Numerous activities were organized by YES Southern throughout the session and the highlight for Session 2014/2015 was the JB Engineer's Run held in conjunction with the IEM Engineering Week 2014. The inaugural JB Engineer's Run with the theme 'Value Engineering Our Life' was held at Country Garden, Danga Bay, Johor Bahru, on Saturday, 13<sup>th</sup> of September 2014. It was held in conjunction with the IEM Engineering Week 2014 to increase awareness of the engineering profession amongst the general public and to promote a healthy lifestyle amongst the southern engineers. It was organized by the Young Engineers Section (YES) Southern Branch and received an overwhelming response from the southern engineers and the general public with over 1000 runners taking part in the event.

The event was officiated by Tn. Hj. Farizal bin Ismail, Secretary of Johor Bahru City Council who was the official representative of the Mayor of Johor Bahru. The Chairman, Past Chairmen and Committee Members of IEM (Southern Branch), as well as Mr. Allen Khong, representative of Country Garden as the main sponsor of the event accompanied Tn. Hj. Farizal to flag off the runners for the two routes (3 km and 7 km) along Jalan Skudai. The event was also supported by Power Root, Goodmorning Global and REPS Fitness Centre. The REPS Fitness instructors led the crowd for both warming up and aerobics sessions. All participants who completed the run received an exclusively designed medal and certificate. An information booth on IEM was also set-up at the event as part of a membership drive initiative. The participants were also treated to a robot demonstration by the UTM Robocon team at the technology exhibition booth during the event.

The day ended with the group ALS ice bucket challenge. 100 brave participants took part in the challenge together with the Organizing Committee and Executive Committee of IEM (Southern Branch). The JB Engineer's Run was a joyous and memorable event but it would not have been possible without meticulous planning, concerted effort of the organizing committee, support from the Past Chairmen and most of all the commitment and hard work of the volunteers amongst the Young Engineers and Student Members from Universiti Teknologi Malaysia and Universiti Tun Hussein Onn Malaysia as well as participation of students from Politeknik Ibrahim Sultan.
