FOREWORD Y.A.B DATO' SERI MOHAMED KHALED BIN NORDIN MENTERI BESAR JOHOR

Bismillahirahmanirahim

Assalamualaikum warahmatullahi wabarakatuh

It gives me great pleasure to commend the effort of The Institution of Engineers, Malaysia (IEM) Southern Branch's for organizing auspicious event – Annual Dinner and Awards Night 2013, held in conjunction with "The Regional Conference on Liberalisation of Services Sector: A New Era for Engineering & Related Industries, RCLSS 2013".

My heartiest congratulations go to the IEM Southern Branch Chairman, Ir. David Lee Hoke Hai for his leadership in steering the committee in conducting activities and training programmes which are essential for the continuous and professional development of IEM members and engineers.

In today's competitive world, I believe that local engineers are the key players in ensuring the establishment of Iskandar Malaysia as a major economic region. Our engineers today are not only tasked to deliver sound engineering, but also to utilise forefront technology and innovative methodology to ensure sustainable development of the country.

With the Government's continuous efforts in further liberalising service sub-sectors to boost the nation's economy and to remain competitive, the engineering fraternities also need to take on socio-economic challenges. This conference certainly helps not only engineers but also professionals from the various sectors in preparing for the exciting and challenging times ahead.

I take great pride in associating and accepting the Honorary Fellow awarded upon me by the ASEAN Federation of Engineering Organisations (AFEO). I wish you all every success in your future endeavour and embrace utmost profesionalism and vigilance in carrying your duty to the country and to the public at large. Thank you.

(MOHAMED KHALED BIN NORDIN)

MESSAGE FROM IR. CHOO KOK BENG

PRESIDENT THE INSTITUTION OF ENGINEERS, MALAYSIA

It gives me great pleasure to put down a few words in the IEM Southern Branch Annual Dinner Souvenir Programme 2013. I would also like put on record my sincere appreciation to the Organising Committee who has spent a lot of time in organising this event.

My heartiest congratulations too to the IEM Southern Branch for a very successful session and for the initiatives in organising many successful

activities at the Branch level during the past session. In particular, I would like to congratulate the Branch for organising the Regional Conference on Liberalisation of Services Sectoror RCLSS 2013 in collaboration with the ASEAN Federation of Engineering Institutions (AFEO). This conference is currently being held this week which has successfully brought together many speakers and participants from the ASEAN nations and across the globe.

I believe that it is necessary for the Branch Committee to be active within its own region especially in organising activities and providing support services to the members residing in their area. The Branches should also take the initiative to channel engineering and technical advice and services where needed, especially to the State Government Agencies and Ministries within their sphere.

Engineers play a tremendous role in nation building and their contributions are indispensable to the country and our quality of life. The commitment of our members, both at the National and Branch levels, in working to advance our country's progress is therefore praiseworthy.

Finally, I hope that our proactive efforts will continue in the future so as to ensure the continued success of our beloved profession.

Thank You and with warmest regards,

IR. CHOO KOK BENG, FASc

President, The Institution of Engineers, Malaysia

MESSAGE FROM IR. DAVID LEE HOKE HAI

CHAIRMAN THE INSTITUTION OF ENGINEERS, MALAYSIA (SOUTHERN BRANCH)

This year's IEM dinner is special as it is held in conjunction with the Regional Conference on Liberalisation of Services Sector RCLSS 2013. IEM Southern Branch is proud to have the support from various government and professional bodies that made this dinner and conference possible. We are also very grateful to our generous sponsors, whose contributions have enriched the experience

of IEM members and our diversified group of participants.

Engineers build infrastructures that connect people. We are the forerunners of a nation's development. Engineers are essential in the growth of a nation and constantly strive to improve the quality of lives. In the ever-changing environment we are in today, Engineers must be prepared to optimise new technologies and explore new frontiers. Besides being stereotypical "hardware men", as Engineers we have to continuously hone our soft skills, to efficiently allow us to communicate and co-operate with professionals from all the various industries. I strongly encourage my fellow engineers to interact and expand our global networks during this grand occasion.

Engineers have evolved over the centuries, and we now have a higher calling. Apart from engineering within close proximities and engaging with local authorities, we are now in the position to embrace "cross border" responsibility. We have the responsibility to venture out, to create more value by synergising with members of neighbouring countries, and to assist other nations in their development. Modern Engineers seek to exert influence with technology transfer and grasp the opportunities beyond their native countries.

The Regional Conference on Liberalisation of Services Sector is a leap forward for IEM Southern Branch. For us, it could all start from this dinner.

Thank you and with warmest regards,

IR. DAVID LEE HOKE HAI

Chairman, The Institution of Engineers, Malaysia (Southern Branch)

The Institution of Engineers, Malaysia

IEM is a society established to promote and advance the Science and Profession of Engineering in any or all its disciplines and to facilitate the exchange of information and ideas related to Engineering.

Our Vision

The Institution of Engineers, Malaysia aims to be the premier professional organisation pivotal to Malaysia achieving Vision 2020.

Our Mission

- IEM shall promote sound professional engineering practice in support of the socioeconomic development objectives of the nation.
- IEM shall service the needs and interests of its members and the public and uphold the social standing and image of the engineering profession.
- IEM shall contribute towards nation building and shall strive to enhance society's consciousness of science and technology.

Our Objectives

The objectives of the Institution as set out in the Constitution shall include the following:

- to hold meetings, exhibitions and visits, and such other activities as the Institution may deem incidental or conducive to the promotion or attainment of the profession of engineering;
- to raise the character and status and advance the interests of the profession of engineering and those engaged therein;
- to promote honourable practice and professional etiquette among members of the Institution;
- to communicate to members information on all matters affecting the profession of engineering and to print, publish, issue and circulate such publications as may seem conducive to any of the objectives of the Institution; and
- to do such other things as the Institution may think incidental or conducive to attainment of the objectives of the Institution.

20 YES National Summit 2012 by Young Engineers Section

Blood Donation Campaign by Young Engineers Section

Professional Night 2013

HONORARY FELLOW, ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

Dato' Seri MOHAMED KHALED Bin NORDIN SIMP SPMP DSPN SMJ PIS B.A.(Law)(Mal.) Chief Minister Johor State (Menteri Besar Negeri Johor)

Dato' Seri MOHAMED KHALED Bin NORDIN completed his secondary school education at Muar High School and then at English College, Johor Bahru. Dato' Seri Mohamed Khaled obtained his Law Degree from the Universiti of Malaya.

Dato' Seri Mohamed Khaled joined the Legal Department of Petronas Nasional upon graduation. He was then appointed as the Political Secretary to the then Federal Territories Minister, Dato' Sharir Abdul Samad in 1983. He held that position until 1987. Dato' Seri Mohamed Khaled returned to the legal and business fraternity but remained active in politics.

Dato' Seri Mohamed Khaled's political aspirations began as the UMNO Youth Chief for Johor state. He was also the Deputy Chief of UMNO Johor Bahru Division from 1998-2003. Dato' Seri Mohamed Khaled was also appointed to the federal level UMNO Youth Malaysia Executive Committee in 1993. He successfully defended that position in 1996, and held it until full term in 2000.

Dato' Seri Mohamed Khaled's carrier as a Member of Parliament began in 1990 when he won the Johor Bahru Parliament seat. He held the Johor Bahru Parliament seat for three consecutive terms. Dato' Seri Mohamed Khaled moved to the Pasir Gudang Parliament seat in 2004. He has since held the position of UMNO Pasir Gudang Division Chief. He successfully retained the Pasir Gudang Parliament seat for a second term in the 2008 General Elections.

Dato' Seri Mohamed Khaled was appointed the Deputy Minister of Public Works after the 1999 General Elections. He was then appointed the Minister of Entrepreneurial and Cooperative Development from 31 March 2004 to 17 March 2008. Dato' Seri Mohamed Khaled was also appointed the Minister of Higher Education from 18 March 2008 to 03 April 2013.

Dato' Seri Mohamed Khaled is currently the Chief Minister (Menteri Besar) of Johor state. He is also a Member of the Johor State Assembly.

In recognition of Dato' Seri Mohamed Khaled's contributions and services to engineering, entrepreneurship, higher education, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Dato' Seri Mohamed Khaled Bin Nordin an AFEO Honorary Fellowship.

ABOUT ASEAN FEDERATION OF ENGINEERING ORGANISATIONS (AFEO)

The ASEAN Federation of Engineering Organisations (AFEO) is a non-governmental body. Its members are the 10 engineering institutions and organisations of ASEAN countries with the following main objectives:

- To promote goodwill and mutual understanding
- To establish and develop ASEAN baseline standard for the engineering profession with the objective of facilitating the mobility of the engineers within the ASEAN countries.

HONORARY MEMBER, ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

Ir. DAVID LEE HOKE HAI BEM/IEM (Part I & II) P.Eng. MIEM MACEM ASEAN Eng.

Ir. DAVID LEE HOKE HAI completed his BEM/IEM (Part I & II) in Civil Engineering in 1986. He is a Professional Engineer registered with the Board of Engineers Malaysia. He is a Member of The Institution of Engineers Malaysia, and is currently the Chairman of the Southern Branch.

Ir. David Lee started his early engineering career with Tan, Yap & Associates in Ipoh, Perak and also with T.K. Teo Management Sdn Bhd. He is now the Managing Director of Perunding B & O, a civil and structural engineering consultancy practice.

Ir. David Lee had been actively involved with The Institution of Engineers Malaysia Southern Branch since 1996. He has served in the Executive Committee in various capacities as a General Member, Honorary Treasurer, and now as Chairman. Ir. David Lee's involvement in community services includes being the Vice President of Amateur Gymnastic Association Johor, and organizing various charity events.

In recognition of Ir. David Lee's contributions to The Institution of Engineers Malaysia, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Ir. David Lee Hoke Hai an AFEO Honorary Membership.

HONORARY MEMBER, ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

Ir. Hj. MOHD KHIR Bin MUHAMMAD B.Sc.(Wichita St.) MBA P.Eng. FIEM FIES MAIAA MMIM ASEAN Eng. APEC Eng. Int.PE

Ir. Hj. MOHD KHIR Bin MUHAMMAD graduated with a Bachelor of Science (Engineering) from Wichita State University, Kansas, USA in 1986. He also holds a Master's Degree in Business Administration from UiTM in 2008. He is a Professional Engineer registered with the Board of Engineers Malaysia. He is a Fellow of The Institution of Engineers Malaysia, and was the Immediate Past Chairman of the Southern Branch.

Ir. Mohd Khir started his engineering career as an academic at Universiti Teknologi Malaysia (UTM). He was the Head of Aero Laboratory, and the Project Leader for the Design and Build of a Specialized Aerospace Research Laboratory. Ir. MohdKhir left UTM in 2004 on optional retirement. He is now the Executive Director of Ikasuri Sdn Bhd, a telecommunications infrastructures, and oil & gas industries facilities engineering company.

Ir. Mohd Khir had served in various standing committees of The Institution of Engineers Malaysia since 2001. He is an interviewer for professional engineer candidates, and a regular speaker on career and professional development. He also serves as Industry Advisory Panel Member at Universiti Malaysia Sarawak, Universiti Malaysia Perlis, and INTI International University. He is an Ex-Officio Council Member of Central Johor Bahru Municipality Council, and a Committee Member of Iskandar Malaysia Chamber of Industry and Commerce Johor. He has also been a Board Member of the Spastic Children's Association of Johor since 2010.

In recognition of Ir. Mohd Khir's contributions to The Institution of Engineers Malaysia, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Ir. Hj. Mohd Khir Bin Muhammad an AFEO Honorary Membership.

Dato' Ir. NG AH KOW DIMP AMP PKT PK B.Eng.(Hons)(Mal.) P.Eng. FIEM

Major (Rtd.) Dato' Ir. NG AH KOW holds a Bachelor's Degree in Civil Engineering from Universiti Malaya. Dato' Ir. Ng is a Professional Engineer registered with the Board of Engineers Malaysia. He is a Fellow of The Institution of Engineers Malaysia, and was a Past Chairman of the Southern Branch.

Dato' Ir. Ng's working experience includes 29 years of government service with the Public Works Department (JKR) of Malaysia. He has served as the District Engineer of Batu Pahat and Johor Bahru. His last posting before retirement was as the JKR Project Construction Director of The Southern Integrated Gateway Project, which comprised both the Johor Bahru's new Customs, Immigration and Quarantine Complex, and the aborted Malaysia-Singapore Curved Bridge. Dato' Ir. Ng is currently the Managing Director of Focus Ace Sdn Bhd, a technical & corporate consultancy, and project management company.

Dato' Ir. Ng is serving in an advisory role to the executive committee of The Institution of Engineers Malaysia, Southern Branch. He is also a principal interviewer for professional engineer candidates. His community services includes serving in The 60th Specialist Regiment (Water), Royal Malaysian Engineers (Reserves Unit), and as Past Vice President of Johor Golf & Country Club, cum Chairman of Building and Development Sub-Committee.

In recognition of Dato' Ir. Ng's contributions to The Institution of Engineers Malaysia, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Major (Rtd.) Dato' Ir. Ng Ah Kow an AFEO Honorary Membership.

HONORARY MEMBER, ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

Dato' Ir. STEVE CHONG YOON ON DIMP PJK B.Sc.(Hons) P.Eng. C.Eng.FIEM MICE MASCE

Dato' Ir. STEVE CHONG YOON ON graduated from University of London in 1979 with a Bachelor of Science Honors Degree in Civil Engineering. Dato' Ir. Steve Chong is a Professional Engineer registered with the Board of Engineers Malaysia, and a Chartered Civil Engineer registered with the Engineering Council, United Kingdom. He is a Fellow of The Institution of Engineers Malaysia, and was a Past Chairman of the Southern Branch.

Dato' Ir. Steve Chong's early engineering training was with the Public Works Department (JKR) of Terengganu state. He was also employed by various water supply consultants for specialized waterworks projects. He then formed and became the Managing Director of Southcon Group of Companies, involved with construction and property development. Dato' Ir. Steve Chong is now the Chairman and Founder of Austin Heights Group of Companies.

Dato' Ir. Steve Chong had been actively involved with The Institution of Engineers Malaysia, Southern Branch since 1995. He is now serving in an advisory role to the executive committee. He is also involved with the Real Estate & Housing Developers Association of Johor.

In recognition of Dato' Ir. Steve Chong's contributions to The Institution of Engineers Malaysia, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Dato' Ir. Steve Chong Yoon On an AFEO Honorary Membership.

Ir. TEH SEA CHUAN PIS B.Sc. Engineering (Hons)(London) P.Eng. C.Eng. FIEM MICE MIHT MIES

Ir. TEH SEA CHUAN graduated from University of London in 1970 with a Bachelor of Science Honors Degree in Civil Engineering. Ir. Teh is a Professional Engineer registered with the Board of Engineers Malaysia, and a Chartered Civil Engineer registered with the Engineering Council, United Kingdom. Ir. Teh is a Fellow of The Institution of Engineers Malaysia, and was a Past Chairman of the Southern Branch.

Ir. Teh's early professional training began with Mott, Hay & Anderson Consulting Engineers in London. He was involved in the designs of highways, bridges and tunnels. Ir. Teh returned to Malaysia in 1975 and continued his engineering career with the government service, serving in the National Housing Department (Jabatan Perumahan Negara). He was the Southern Regional Director prior to leaving for private practice in 1982. Ir. Teh is currently the Managing Director of Perunding Sejati Sdn Bhd, a civil and structural engineering consultancy practice.

Ir. Teh had been actively involved with The Institution of Engineers Malaysia (IEM) at both Head Quarters (HQ) level and at the Southern Branch since 1979. He was a Council Member of IEM HQ from 1993-1995 and 1995-1998. He was also Chairman of IEM Southern Branch from 1993-1995. He diligently assists the executive committee and also regularly serves as a principal interview for professional engineer candidates.

In recognition of Ir. Teh's contributions to The Institution of Engineers Malaysia, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Ir. Teh Sea Chuan an AFEO Honorary Membership.

HONORARY MEMBER, ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

Ir. CHAN CHOONG CHEONG
KMN PIS AMN PLP
B.Eng.(Hons)(Mal.) M.Phil.(Southampton)
P.Eng. C.Eng. FIEM FTAM MICE

Ir. CHAN CHOONG CHEONG graduated with a Bachelor of Civil Engineering Honors Degree from Universiti Malaya in 1973. He also holds a Master of Philosophy Degree from University of Southampton in 1980. Ir. Chan is a Professional Engineer registered with the Board of Engineers Malaysia, and a Chartered Civil Engineer registered with the Engineering Council, United Kingdom. Ir. Chan is a Fellow of The Institution of Engineers Malaysia, and was a Past Chairman of the Southern Branch.

Ir. Chan began his engineering career in the government service, serving in the Department of Irrigation and Drainage (DID) Malaysia. He served from 1973 to 2004. His last DID posting was as State Director DID Johor state. Ir. Chan is currently with O & L Consulting Engineers.

Ir. Chan was a Council Member for The Institution of Engineers Malaysia from 1992-1994. He was also Past Chairman for Southern Branch from 1997-1999. Ir. Chan was also President of The Technological Association of Malaysia from 1998-2000. He was also serving in The Public Services Commission of Johor from June 2011 – April 2013.

In recognition of Ir. Chan's contributions to The Institution of Engineers Malaysia, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Ir. Chan Choong Cheong an AFEO Honorary Membership.

Ir. SIM TIAN LIANG PKC B.Eng.(Hons)(UTM) P.Eng. MIEM MIHT

Ir. SIM TIAN LIANG graduated from Universiti Teknologi Malaysia with a Bachelor of Engineering (Civil) Honors Degree in 1978. Ir. Sim is a Professional Engineer registered with the Board of Engineers Malaysia. He is a Member of The Institution of Engineers Malaysia, and was a Past Chairman of the Southern Branch.

Ir. Sim started his engineering career with the Public Works Department (JKR) of Malaysia. He had served in various capacities as Civil Engineer and Senior Engineer for both building and infrastructure projects. Ir. Sim opted for early retirement in 1997, and joined Pang Hock Construction Sdn Bhd. He then joined Kimlun Corporation Berhad in 2003, and is presently serving as both Director and Chief Executive Officer. He is responsible for the Company's corporate objectives, and to provide the strategic direction of the company.

Ir. Sim had been actively involved with The Institution of Engineers of Engineers Malaysia, and served as Past Chairman for Southern Branch from 2008-2010. He also assists as a principal interviewer for professional engineer candidates. Ir. Sim is also active in The Johor Master Builders Association.

In recognition of Ir. Sim's contributions to The Institution of Engineers Malaysia, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Ir. Sim Tian Liang an AFEO Honorary Membership.

HONORARY MEMBER, ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

Dato' Ir. Hj. ABU BAKAR Bin AHMAD DIMP DSM ASA B.Sc.(Eng.) P.Eng. MIEM

Dato' Ir. Hj. ABU BAKAR Bin AHMAD graduated with a Bachelor of Science in Civil Engineering from Universiti Teknologi Malaysia. He is a Professional Engineer registered with the Board of Engineers Malaysia, and a Member of The Institution of Engineers Malaysia.

Dato' Ir. Hj. Abu Bakar started his engineering career with the Public Works Department (JKR) of Malaysia in 1977. He held various Senior Engineer positions with JKR Kedah Utara, Pahang Tenggara, Pahang Water Works Division, and Felda Temerloh. He was posted as the Deputy Director of Operations, JKR Selangor Waterworks Department in 1993. He was also the Director of Public Works, JKR Melaka from 2001 to 2005. Dato' Ir. Hj. Abu Bakar is currently the Director of Public Works, JKR Johor since 2005.

Dato' Ir. Hj. Abu Bakar is a Board Member of Kemajuan Johor Tenggara (KEJORA) and Committee Member of Johor State Housing. His community services include serving as a Board Member of "Pelawat Taman Sinar Harapan Tampoi", Committee Member of Pasir Gudang Emergency Mutual Aid and Committee Member of Public Examinations Safety, Johor.

In recognition of Dato' Ir.Hj. Abu Bakar's contributions to engineering, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Dato' Ir. Hj. Abu Bakar Bin Ahmad an AFEO Honorary Membership.

Ir. CHONG CHEE HAN PIS II B.Eng.(Hons)(Mal.) M.Sc.(UPM) P.Eng. MIEM

Ir. CHONG CHEE HAN graduated from Universiti Malaya with a Bachelor of Engineering (Civil) Degree. He also holds a Master's Degree from Universiti Pertanian Malaysia in 1995. Ir. Chong is a Professional Engineer registered with the Board of Engineers Malaysia. He is a Member of The Institution of Engineers Malaysia.

Ir. Chong began his engineering career with the government service in 1980, serving in the Department of Irrigation and Drainage (DID). He has held various positions from Local Engineer, Planning Engineer, District Engineer and Deputy Director. Ir. Chong is currently the Director of DID Johor state. He has held that position since 2007.

Ir. Chong was awarded an Excellent Service Award by DID in 2000. His contributions and services to the state of Johor was also recognized in 2008, with a PIS II Award bestowed by His Royal Highness, Sultan Iskandar, The Sultan of Johor.

In recognition of Ir. Chong's contributions to engineering, and the public in general, The ASEAN Federation of Engineering Organisations is honored to award Ir. Chong Chee Han an AFEO Honorary Membership.

HONORARY MEMBER, ASEAN FEDERATION OF ENGINEERING ORGANISATIONS

Dato' Hj. KAMARUZZAMAN Bin ABU KASSIM B.Commerce (Accountancy)

Dato' Hj. KAMARUZZAMAN Bin ABU KASSIM graduated with a Bachelor of Commerce majoring in Accountancy from The University of Wollongong, New South Wales, Australia in 1987.

Dato' Kamaruzzaman began his career as an Audit Assistant with Messrs. K.E. Chen & Associates in May 1988, and later joined Coopers & Lybrand in Johor Bahru. He left the firm in December 1992 and joined the Johor State Economic Development

Corporation (currently known as Johor Corporation or JCorp). He was appointed as a Deputy Finance Manager in the Corporate Finance Department. He was promoted to General Manager in 1999.

Dato' Kamaruzzaman became the President and Chief Executive of JCorp on 01 December, 2010. Prior to that he served as the Chief Operating Officer of JCorp, and was also a Senior Vice President of Corporate Services and Finance.

Dato' Kamaruzzaman sits as the Chairman of both Damansara REIT Managers Sdn Bhd, and Damansara Realty Berhad. He is also Chairman of Kulim (Malaysia) Berhad and Johor Land Berhad. He is also Director of Waqaf An-Nur Corporation Berhad, an Islamic endowment institution which spearheads JCorp's Corporate Social Responsibility (CSR) programs.

In recognition of Dato' Kamaruzzaman's contributions to the public in general, The ASEAN Federation of Engineering Organisations is honored to award Dato' Hj. Kamaruzzaman Bin Abu Kassim an AFEO Honorary Membership.

HONORARY MEMBER, THE INSTITUTION OF ENGINEERS, MALAYSIA

Dato' Dr. MOHAMAD Bin HASHIM DPTJ JP B. Soc. Sc.(NZ) MBA(UK) PhD.(Aus.)

Dato' Dr. Mohamad Bin Hashim obtained his Bachelor of Social Science Degree in Economics from the University of Waikato New Zealand in 1974. Dato' Dr. Mohamad completed his Master of Business Administration Degree in Finance at the University of Hull United Kingdom in 1994. He then graduated with a Doctorate Degree in Business Administration from Southern Cross University, Lismore, Australia in 2001.

Dato' Dr. Mohamad began his career in 1974 with Shell Malaysia. After serving various managerial capacities in Shell Malaysia, he left in 1990 and started a small domestic tanker operations. He managed the growth of the business into an international shipping conglomerate which was listed on the then Kuala Lumpur Stock Exchange on 16 April 1996. At its prime, the shipping conglomerate owned 23 vessels of various types/sizes, up to 115,000 dead weight tons, with an investment value exceeding USD150 million.

Dato' Dr. Mohamad wrote a book entitled "Achieving Success in Tough Times", which details his experiences, reflections and strategies implemented in leading the shipping conglomerate through the Asian Economic Crisis from 1998 to 2003. The book was launched on 10 February 2006 by YAB Datuk Seri Hj. Khaled Nordin, who was then the Minister of Entrepreneur and Cooperative Development, as an acknowledgement of the struggles experienced by most entrepreneurs in Malaysia during the economic crisis.

Dato' Dr. Mohamad is currently involved in the development of Bandar Layangkasa, a 1000 acre township comprising residential, commercial and industrial properties.

In recognition of Dato' Dr. Mohamad's contributions to entrepreneurship, engineering, and the public in general, The Institution of Engineers Malaysia is honored to award Dato' Dr. Mohamad Bin Hashim an IEM Honorary Membership.

INSTITUTION OF ENGINEERS MALAYSIA (SOUTHERN BRANCH) Academic Awards 2013 Winners

The Institution of Engineers, Malaysia (Southern Branch) has once again recognized the achievements of students in primary and secondary schools particularly among the children of IEM members.

As in previous years, the selection of suitable recipients is not based on academic performance alone, but also on the overall standing behaviour, achievements, merits and personal traits of the recipients.

This year, the number of applications was very encouraging, and on the 10thJune 2013, the Committee have reviewed the submissions, and approved the following applications for the Academic awards. The prize giving ceremony has been held on 29th June 2013 in conjunction with the 40th annual general meeting of IEM Southern Branch.

UPSR 2013

Student's Name	Nomination by	School	Highest Academic Result	Prize
Lim Kai Wen	Ir. Lim Whang Nee	SK Infant Jesus Convent, Johor Bahru	5As	Award

PMR 2013

Student's Name	Nomination by	School	Highest Academic Result	Prize
Mok Ying Jie	Engr. Leong Men Ling	SMK Taman Daya, Pasir Gudang	8As	Award
Lim Kai Li	Ir. Lim Whang Nee	SMK Infant Jesus Convent, Johor Bahru	7As	Merit
Lee Ching Tong	Ir. Lee Wai Hin	SMK Infant Jesus Convent, Johor Bahru	7As	Merit

SPM 2013

Student's Name	Nomination by	School	Highest Academic Result	Prize
Sarah Teo Ying Qi	Ir. Teo Ki Yuee	SMK Seri Perling	7 A+, 3A	Award
Tan Mei Sheng	Ir. Tan Seng Thian	SMK Canossian Convent, Segamat	7A+, 2 A, 1A-	Award
Chung Wei Jin	Ir. Chung Teik Boon	SMK Infant Jesus Convent, Johor Bahru	4A+, 5A	Award
Fairuz binti Razak	Ir. Razak bin Hj. Mohd. Diah	SMK Seri Perling	4A+, 3A, 2A-	Award
Ooi Chun Wei	Ir. Ooi Chong Kooi	Sek. Men. Seri Omega	6A+, 3A, 1A-	Merit
Intan Amiera binti Juraimi	Ir. Juraimi bin Masood	SMK Sultan Ismail, Johor Bahru	4A+, 1A, 4A-	Merit

Pre-tabricated Truss for Easy Installation

Happiness is knowing that your loved ones are safe. It is also knowing that the truss that supported your roof would NOT get infested with termites or worst, collapsed!

For many years, Lauenda* Truss has been the soul of modern architectural structures. Compared to timber truss Galvanised steel truss are more reliable last longer.

Its superiority stems from a strong, yet lightweight zinc coating, termite-resistant, non-combustible steel that offers structural integrity and durability that will outlive your expectations and the lifespan of your house. Laurenda* Truss are also suitable for all kinds of offices and even highrise buildings.

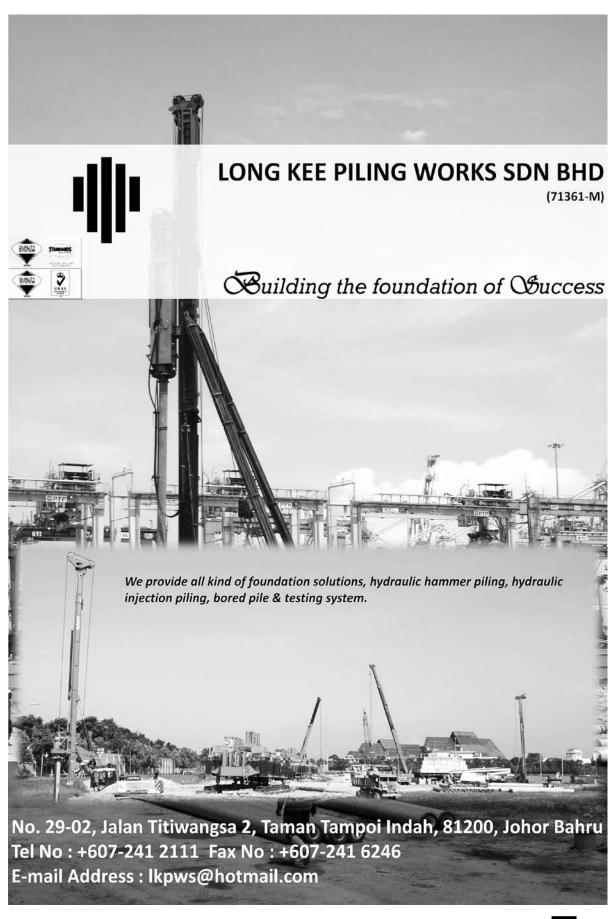

Nevertheless, happiness is not about how big your house is, it is how strong your roof truss is.

Ranhill Water Services THE NRW SPECIALIST

Ranhill Water Services (RWS) specialises in the provision of operational, management, construction and consultancy services to meet the needs of water and waste-water service providers across Asia.

With a vast experience in all aspects water provision, from the treatment plant to the customer tap, we offer a holistic approach tailored to the operators' specific needs.

who we are RWS was incorporated in 2005 to enable the

RWS was incorporated in 2005 to enable the provision of specialised services to water operators from across Malaysia and Asia. Starting with a small team of 11, limited resources, RWS can now be proud of all our achievements, including a workforce of more than 300 highly trained staff, equipped with the latest advanced technologies and equipment to realize the company's vision of becoming the leading provider of water solutions in Malaysia and across the Asian region.

Through the development of partnerships tailored to the clients' needs, and bound by performance guarantees, RWS provides specialised operational support in the management and optimisation of water utility assets.

our history Our skills and expertise were initially

Our skills and expertise were initially developed whilst operating SAJ Holdings Sdn. Bhd., which is now one of the leading water operators in Malaysia. RWS continued to grow and develop through the successfull completion of a range of projects both nationally and internationally.

Our international ventures include the Middle East and India, and we have established ourselves as a leading player in the industry, particularly in the arena of Water Loss Management and Network Modelling.

our services & products

The expertise offered by RWS is packaged into products and services that can be tailored to water company and agency needs. The services and products that are provided by RWS to the water industry include:

- Non-Revenue Water Management
- Web-based DMA Monitoring and Analysis – SMART System
- Advanved Pressure Management & Control
- Asset Maintenance
- Geographical Information Systems (GIS) and Network Modelling
- Network Operation & Management
- Customer Service & Operation Centre
- Technical Consultation
- Engineering, Procurement and Construction of water assets

能馬一站式

建筑材料之家

龍馬(柔佛)有限公司创立于1989年,至今已迈向23年,从昔日的五金店,

发展成立另外四家不同性质的公司,即龍馬(吉隆坡) 有限公司、龍馬建筑工程有限公司、龍馬網线工业有限公司和龍馬机械五金有限公司,

龍馬秉持信誉至上与客户及供应商维持良好的合作关系,并提供客户各种需求的建材与服务。

公司目前所销售的建材,除了主要的钢铁、自制生产各类圆径钢网、钢线、原铁、铁钉销售至国内外市场外,也与供应商合作代理门斗、窗斗、屋瓦、隔热铝片、磁砖、洋灰与防水产品等。同时,公司也跟国外企业合资生产玻璃纤维棉-TOP WOOL、热镀电焊网-3315等建材。

另外,龍馬建筑工程有限公司也提供客户绘测与建盖工厂等屋顶服务, 以迎合客户需求并让公司朝向多元化建材的领域迈进。

在柔南地区屋业蓬勃发展趋势下,公司在积极朝向多领域进军之际, 仍延续公司超过20年一贯的信誉与诚信,以注重优质的售货服务, 提供客户一站式建筑材料之家为宗旨。

多元化建材+优质售货服务+超过20年的信誉与诚信=提供客户一站式建筑材料之家的理想家园

Simplicity ¤ Quality ¤ Professionalism

Safe. Simple. Efficient. And now, it's communication-ready.

With the Acti 9, it's never been simpler to integrate your electrical panels with your facility management system.

Put five generations of experience to work in your panels We leveraged five generations of low-voltage expertise to design a precise, high-quality modular system without compromise. Acti 9^{TM} offers the fastest and most flexible installation experience, and completely eliminates safety concerns during maintenance and operation.

Acti 9 is high quality and engineered to adapt to the most challenging networks and environments while still remaining cost-effective over time. It is the most flexible, coordinated, comprehensive, and innovative range of low-voltage modular devices available.

Revolutionize communication in your installations In addition to the core protecting offer, the Acti 9 communication system uses Modbus protocol, provides real-time data from your panels and circuits. It allows load control and monitoring, and includes prefabricated wiring to give you instant, error-proof connectivity. Now you can monitor and control power on every floor, sector, office, and workshop.

Ready to be connected

Centralize control, collect energy meter data with just a simple, easy-to-use communication module.

Save 40% of your time

One-click, prefabricated wiring for communication between your distribution panel and any facility management system.

Safe and reliable

Reliable, error-proof manufacturer guaranteed connections. EMC tested for immunity, radiated, and conducted safety.

To learn more, download our FREE brochure about Acti 9: 'The efficiency you deserve'.
