## **FOREWORD**

### **Y.B. DATUK Ir. HASNI BIN MOHAMMAD**

#### **CHAIRMAN OF JOHOR EXECUTIVE COUNCIL**

#### **PUBLIC WORKS, RURAL AND REGIONAL DEVELOPMENT**

Bismillahirrahmanirrahim  
Assalamualaikum Warahmatullahi Wabarakatuh  
and Sincere Greetings to all.

It is indeed an honour for me to be given an opportunity to say a few words on this auspicious occasion for The Institution of Engineers, Malaysia (Southern Branch)'s Annual Dinner and Award Night 2015. Such an auspicious event calls for a celebration of our achievements, and a reflection of what we could do better, and how far we could go in the future.

From where I stand, I can see Johor has indeed a bright future in improving its socio-economic development agenda. The 11<sup>th</sup> Malaysia Plan has defined a number of strategic thrusts and the professional engineers are instrumental in delivering professional services that supports the socio-economic well-being of the country as the nation progress towards Vision 2020.

Aligned to these strategic thrusts, the State Government sees immense opportunities in bringing the state to greater heights. We focus on ensuring the well-being of the people of Johor and strengthening infrastructure to support economic growth. We embark on strategic initiatives and development projects which can unlock the potential of the State in transforming Johor into a major economic region.

We are committed to our cause, and have set aside investment and indicators in measuring our performance to keep us on track. We believe that Johor can become a powerful economic force beyond the region, and we are set to make this a reality.

I am glad that The Institution of Engineers Malaysia (Southern Branch) is actively supporting the development of the State through its membership, advocacy and activities.

On behalf of the State Government, thank you for your support, and we look forward to see the network of engineers under the Institution contribute more towards the progress and development of the State in the future.

**DATUK Ir. HASNI BIN MOHAMMAD**

## **MESSAGE FROM PRESIDENT THE INSTITUTION OF ENGINEERS, MALAYSIA**

It gives me great pleasure as President of the Institution of Engineers, Malaysia to put down a few words in the IEM (Southern Branch) Annual Dinner 2015 Souvenir Programme. I would also like to put on record my sincere appreciation to the Organizing Committee who has spent a lot of time in organizing this event.

The primary aim of our Institution is to meet the needs and aspiration of its members and this involves for the most part, providing services for our members. I truly appreciate the contribution of our members, regardless from the National or Branch levels, in working together to achieve this aim. We at the IEM National Head Office need your support for the success and growth of our Institution; and in return I affirm my tireless effort, as President, for the good running of our Institution.

In this regard, I call upon each of our IEM Branch Committees to be active in its own region in providing support services to the members residing in the area to which the National Head Office is unable to provide. From my observation during the past year, I found that IEM (Southern Branch) has taken great initiatives in organising many successful activities at the Branch level. I commend the IEM (Southern Branch) for their wonderful efforts and achievements!

I am confident that the IEM (Southern Branch) will rise to meet any future challenges as it has done since the date of its establishment. Congratulations on all that the Branch has achieved in the past and I wish the Branch every success in the many decades that are yet to come.

Thank You and with Warmest Regards,

**DATO' Ir. LIM CHOW HOCK**

## MESSAGE FROM CHAIRMAN THE INSTITUTION OF ENGINEERS, MALAYSIA (SOUTHERN BRANCH)

On behalf of The Institution of Engineers, Malaysia (Southern Branch), I would like to extend my warmest welcome to everyone to our Annual Dinner and Award Night 2015. I would also like to take this opportunity to thank our distinguished guests, committee members and esteemed IEM members for being with us this evening.

The IEM (Southern Branch) Annual Dinner and Award Night is an event that has been much celebrated by both IEM (Southern Branch) members and their affiliates. It provides a platform to meet and foster closer rapport amongst fellow engineers, and at the same time to give due recognition to those who have contributed immensely to the engineering fraternity both within the Southern region and outside.

IEM (Southern Branch) is proud to have the support from various organizations and this year we are pleased to introduce our inaugural "Most Supportive Organization Award" to organizations that have given outstanding support to the Institution. Tonight, we are also proud to celebrate the achievements of our outstanding young engineers and young achievers amongst the children of our members. More than half of our members are graduate and student members and as such, IEM (Southern Branch) is deeply committed in developing future generations of engineers by providing them with opportunities to discover and develop their potential. Future engineers must constantly be aware of the possible avenues to explore, and be audacious in their pursuit of excellence to break down barriers in creating new frontiers and successes.

The amendments to the Registration of Engineers Act (Amendments 2015) driven by the Government's commitments in international trade liberalization, the introduction of the two-tier registration of Professional Engineers and the Professional Competency Examination (PCE) bring new challenges to the engineering community. Let this gathering of engineers tonight be the beginning of an era of engineering distinction in facing these challenging yet exciting times ahead of us. Let us continue to be at the forefront of development and the vanguard for progress leading to a successful future for the state of Johor and Malaysia.

Thank you for your support and for joining us tonight.

Ir. ASSOC. PROFESSOR HAYATI BINTI ABDULLAH

## **IEM VISION AND MISSION**

IEM is a society established to promote and advance the Science and Profession of Engineering in any or all its disciplines and to facilitate the exchange of information and ideas related to Engineering.

### **Our Vision**

The Institution of Engineers, Malaysia aims to be the premier professional organisation pivotal to Malaysia achieving Vision 2020.

### **Our Mission**

- IEM shall promote sound professional engineering practice in support of the socio-economic development objectives of the nation.
- IEM shall service the needs and interests of its members and the public and uphold the social standing and image of the engineering profession.
- IEM shall contribute towards nation building and shall strive to enhance society's consciousness of science and technology.

### **Our Objectives**

The objectives of the Institution as set out in the Constitution shall include the following:

- to hold meetings, exhibitions and visits, and such other activities as the Institution may deem incidental or conducive to the promotion or attainment of the profession of engineering;
- to raise the character and status and advance the interests of the profession of engineering and those engaged therein;
- to promote honourable practice and professional etiquette among members of the Institution;
- to communicate to members information on all matters affecting the profession of engineering and to print, publish, issue and circulate such publications as may seem conducive to any of the objectives of the Institution; and
- to do such other things as the Institution may think incidental or conducive to attainment of the objectives of the Institution.

# Annual Dinner & Award Night

## SNAPSHOT OF IEM (SOUTHERN BRANCH)'S EVENTS 2014-2015

### Annual Dinner and Award Night 2014

### JB Engineers Run 2014

# Annual Dinner & Award Night

## Lunar New Year Celebration 2015

*Career Guidance Talk,  
Austin Heights International  
School*

*Route to MIEM/PEng Talk, UTM*

*Professional Interview  
Workshop,  
IEM (SB) Secretariat Office*

*Professional Talk,  
SAJ Holdings*

*MoU IEM - UTM*

*Engineering Leadership Program*

*2<sup>nd</sup> International Dengue Conference*

# Annual Dinner & Award Night

*Talk on GST in Construction Industry*

*Talk on "New Model OSC 3.0"*

*Seminar on Implementation of Malaysian Standard Eurocodes*

*Seminar on Impact of Structural Eurocodes on Steel & Composite Steel*

*Seminar on Revolution of Concrete & Steel Structural Design with BIM*

*Seminar on Structural Investigations on Damaged Buildings due to Earthquake*

*1-Day Course on Electrical Safety in The Industries*

*Technical Visit to Tanjung Bin Power Giant*

*Talk on 'How to Achieve Good Electrical Connections'*

*2-Day Course on Safety and Health at Work*

*Talk on Oil & Gas Fabrication and Construction*

*Technical Visit to Malaysia Marine & Heavy Engineering Holdings Berhad (MMHE)*

# Annual Dinner & Award Night

*Evening Talk on Wind Technology*

*Evening Talk on Good Practices  
in Delivering Project Outcome*

*Evening Talk on The Environment  
and You*

*Motivational Camp – Women in  
Engineering, Tangkak Matriculation  
College*

*Women Engineers Southern – Technical Visit to  
Jurong Shipyard Pte. Ltd., Singapore*

*Career Talk – Women Engineers in  
the Next Decade, UTM*

*CIDB Course on Contract Management  
& Claims Procedure*

*Talk on New Updates of the UCO  
Solid Wall Systems*

*Seminar on Concrete Repair &  
Structural Strengthening*

*Technical Visit to 'Reinforced  
Concrete Jacking Pipe Product',  
SPC Industries Sdn. Bhd., Ulu  
Choh, Pontian*

*Talk on Design & Detailing of Slabs with  
Welded Steel Fabric (Mesh)*

*Technical Visit to Senai International Airport*

# Annual Dinner & Award Night

IEM (Southern Branch)

## 42<sup>nd</sup> Annual General Meeting

## **THE INSTITUTION OF ENGINEERS, MALAYSIA (SOUTHERN BRANCH)**

The IEM (Southern Branch) is one of the largest IEM branches in terms of membership and among the earliest to be set up by the IEM. It was officially registered with the Registrar of Society Malaysia on 18 August 1971 with its official branch address at the Sultan Ismail Power Station, Lembaga Letrik Negara, Johor Bahru. In the mid '80s, the branch, with the support of IEM headquarters, managed to raise enough funds to acquire a 3-storey commercial shop lot located at Jalan Abiad to become its permanent office until present.

IEM (Southern Branch) has played an important role in promoting the engineering profession among members and the society. The branch membership as of August 2015 stands at 4,086 members of which 80 percent consists of graduate and student members forming the Young Engineers Section (YES). Currently, YES committee consists of graduate engineers and engineering students from the two student sections based in Universiti Teknologi Malaysia (UTM) and Universiti Tun Hussein Onn Malaysia (UTHM). YES Southern was formally established in 2006 and started off as a student section at Universiti Teknologi Malaysia (UTM).

Both universities have been supportive of the IEM and have been promoting IEM to its academic staff and engineering students. UTM has provided a building in its campus, known as 'Bangunan Ingenieur IEM (Cawangan Selatan)' for IEM to promote and conduct its activities beginning the second half of 2010. UTHM is the first university in Malaysia to sign an MoU with IEM in December 2012. UTM has also signed and MoU with IEM in March 2015.

The IEM (Southern Branch) has come a long way since the '70s and it will continue to play a pivotal role in promoting the advancement of science and engineering, and to contribute to the betterment of the engineering profession particularly down south in the state of Johor.

## **IEM (SOUTHERN BRANCH) MOST SUPPORTIVE ORGANIZATION AWARD 2015**

This year, IEM (Southern Branch) is pleased to introduce our inaugural Most Supportive Organization Award to organizations that have given outstanding support to the Institution by encouraging their staff, undergraduate and postgraduate engineering students to become members of IEM and to actively participate in the activities of IEM (Southern Branch). This award also serves as recognition to the recipients of their contributions towards the well-being and good name of the engineering community and be an exemplary organization for others to follow in pursuit of engineering excellence.

## **IEM (SOUTHERN BRANCH) MOST SUPPORTIVE ORGANIZATION AWARD 2015**

### **UNIVERSITI TEKNOLOGI MALAYSIA**

Universiti Teknologi Malaysia is an innovation-driven entrepreneurial Research University and a leading research-intensive university in engineering, science and technology, ranked in the top 150 world ranking universities in engineering and technology. It is located both in Kuala Lumpur, the capital city of Malaysia, and Johor Bahru, the southern city in Iskandar Malaysia, which is a vibrant economic corridor in the south of Peninsular Malaysia.

UTM is a graduate-focused university with 56% of its student population comprising postgraduate students, the highest in Malaysia. The number of postgraduates enrolled in PhD studies in diverse fields of specialization is 4,886 students, which is the highest in the region. It has 3,004 international students from more than 65 countries around the world, the highest among research universities in Malaysia. Through its Global Outreach Programme, UTM students gain international exposure and experiential learning through various student mobility and exchange programmes, service learning programmes and community engagements.

UTM's mission is to lead in the development of creative and innovative human capital and advanced technologies that will contribute to the nation's wealth creation. This is in line with the aspirations of the country towards becoming a knowledge-based, innovation-led economy grounded in creativity and innovation with high value creation. Through a strategic transformation of its organisational structure, UTM is focused on creating a vibrant academic culture and fertile intellectual ecosystem through its New Academia approach based on the Blue Ocean Strategy.

UTM is renowned for being at the forefront of engineering and technological knowledge and expertise, contributing to the technical and professional workforce of the nation since 1904. The high quality of UTM engineering programs has been recognised by the Board of Engineers Malaysia (BEM) through the Engineering Accreditation Council (EAC), with all of UTM engineering programs receiving accreditation. These engineering programs include programs from the Faculties of Civil Engineering, Mechanical Engineering, Electrical Engineering, Chemical Engineering, Biosciences and Medical Engineering, and Petroleum and Renewable Energy Engineering.

Having produced more than 170,000 technical graduates and qualified professionals over the years, UTM has earned its place as Malaysia's premier university in engineering and technology which inspires creative, innovative and entrepreneurial mindsets.

## **IEM (SOUTHERN BRANCH) MOST SUPPORTIVE ORGANIZATION AWARD 2015**

### **UNIVERSITI TUN HUSSEIN ONN MALAYSIA**

Universiti Tun Hussein Onn Malaysia (UTHM) is a well-known public university located in Batu Pahat, Johor. Formerly known as Polytechnic Staff Training Centre (PLSP) in 1993, the status of this institution was upgraded to Institut Teknologi Tun Hussein Onn (ITTHO) and later as Kolej Universiti Teknologi Tun Hussein Onn (KUiTTHO). The Malaysian government agreed to award the university-college a full university status and changed its name to Universiti Tun Hussein Onn Malaysia in 2007.

Ever since its establishment, UTHM has had more than 16,000 future engineers and technologists enrolling in various courses, undertaking both undergraduate and postgraduate programmes. The university has also attracted international students from culturally diverse backgrounds including those

from the United States, Algeria, Bangladesh, Palestine, Nigeria and the South East Asia countries such as Thailand, Brunei, Myanmar and Indonesia.

Specializing in the niche areas of 'Engineering and Technology', UTHM has eight faculties that act as the pillars that represent the paradigms of this institution. The faculties are Faculty of Civil and Environmental Engineering, Faculty of Electrical and Electronic Engineering, Faculty of Mechanical and Manufacturing Engineering, Faculty of Technology Management and Business, Faculty of Technical and Vocational Education, Faculty of Computer Science and Information Technology, Faculty of Science, Technology and Human Development, and Faculty of Engineering Technology. To date, UTHM has offered 87 programmes of study.

Under the grace and patronage of DYMM Sultan Ibrahim Ibni Almarhum Sultan Iskandar, who had been proclaimed as the Chancellor of UTHM in 2002, the University strives forward in making its way to the highest position and making it as one of the best places for students to experience learning and calling this institution as their alma mater. Throughout its 22 years of establishment, the University has become home to both national and international experts.

With 'Technically Above the Rest' as words of wisdom, UTHM upholds the vision of moving towards a world class university in engineering, science and technology for sustainable development, in line with its mission in which UTHM is committed to creating and disseminating knowledge to meet the needs of industries and communities, and fostering creative talent and innovation faith-based paradigms.

## THE INSTITUTION OF ENGINEERS MALAYSIA (SOUTHERN BRANCH) *2015 Academic Awards Recipients*

The Institution of Engineers, Malaysia (Southern Branch) once again recognizes the achievement of students among the children of IEM (Southern Branch) Members in primary and secondary schools. The selection of the recipients is not based on academic performance alone, but also on the overall standing achievements, merits and personal traits of the recipients. The Executive Committee has reviewed the nominations for the 2015 Academic Awards of The Institution of Engineers, Malaysia (Southern Branch), and on 30<sup>th</sup> July 2015 approved the following recipients:

### UPSR CATEGORY

Student's Name	Nomination by	School and Extra-Curricular Activities	Highest Academic Result	Prize
<b>Kok Fang Zhe</b>	Ir. Puen Tak Hong	<b>SJK (C) Foon Yew 5, Pasir Gudang</b> * School Prefect * Class Monitor * Committee Member, SJK (C) Foon Yew 5 Boys Scout * Member, School Arts Club * Member, School Carom Club * Black Belt Holder, World Taekwondo Federation (WTF) * Participated in the Elite Taekwondo Poomsae Championship 2014 * Awarded G1 Merit at the Second Malaysian Junior Art Appreciation & Assessment * Awarded G2 Silver at the Third Malaysian Junior Art Appreciation & Assessment * Awarded G3 Merit at the Page One Junior Art Assessment 2011 * Awarded G5 Silver at the Page One Junior Art Assessment 2013 * Participated in 'Student Leadership Camp 2012' * Participated in 'Perkhemahan Unit Beruniform 2013'	6A 1B 1 ( <i>Pentaksiran Kerja Amali</i> )	Academic Award Certificate, RM 100 & Book Prize
<b>Shameer Ikhwan Bin Md. Shahrudin</b>	Ir. Md. Shahrudin Bin Muhayat	<b>SK Sri Pulai Perdana, Johor Bahru</b> * School Representative in the Under 12 Hockey Tournament for schools in the district of Kulaijaya * Participated in the 'Perdana Mahkota' Run * Participated in the 'Post-UPSR' Football Tournament * Participated in the Silver Jubilee Celebration & 25 <sup>th</sup> Johor International Jamboree * Participated in the World 57 <sup>th</sup> Jamboree On The Air (JOTA) * Participated in the World 18 <sup>th</sup> Jamboree On The Internet (JOTI) * School Representative in the District of Kulaijaya 'Bicara Berirama' Competition * Awarded 'Golden Scouts' by The Scouts Association of Malaysia (Johor State) * Appointed as 'Ketua Sekawan' for Scouts Group 48 Kulaijaya * Awarded 'Ketua Pesuruhjaya Negeri (Rambu PKK)' by The Scouts Association of Malaysia (Kulaijaya District)	5As 1 ( <i>Pentaksiran Kerja Amali</i> )	Academic Award Certificate, RM 100 & Book Prize

# Annual Dinner & Award Night

IEM (Southern Branch)

## THE INSTITUTION OF ENGINEERS MALAYSIA (SOUTHERN BRANCH) 1998-2014 Academic Awards Recipients

The Academic Award and Merit Award programme was initiated in 1998 with the intent to encourage students in primary and secondary schools towards achieving academic and personal excellence. The prospective recipients were selected based on their academic results, merits in extra-curriculum activities, overall standing achievements and other positive traits.

# BRIDGING TOWARDS CUSTOMERS FOR SUSTAINABLE DEVELOPMENT

## A precious drop.....

With 1,072,806 registered domestic, commercial and industrial customers; SAJ Holdings Sdn Bhd has gained its flagship as Malaysia's premier water supply company.

Creating public awareness on water issue and energy saving measure prioritize our commitment towards delivering excellent services to our customers.

In recognition of SAJ's contribution towards the water industry, it has been awarded for the Malaysian Water Association's Outstanding Award for Management, winner of Asia Corporate Social Responsibility (CSR) Awards 2005 for its Best Workplace Practice, recipient as Training Center for water supply operations, maintenance and operations by The World's Bank, won the Organization Award Category for Outstanding Contribution towards Human Capital Development during the Asia HRD Congress in 2010 and recently during the Excellence in Change Management Award in Global Excellence in Management Awards 2013 (GEMA). In 2014, SAJ awarded as the Best Company to Work for in Asia by HR Asia and won the second runner up for MYCarbon Awards organized by Ministry of Natural Resources & Environment.

SAJ holds ISO certification for Quality Management, water treatment plants and central laboratory, which awarded accreditation status for its international water quality laboratory.
