Synopsis

KHP Steel Product (M) Sdn. Bhd. (KEXTRA) was established in November 2000, KEXTRA first started in humble surroundings as a registered company set up in Batu Pahat, Johor. Backed by an unwavering commitment to Quality and Assurance and Customer Satisfaction, KEXTRA has over the years forged a name for itself as one of the industry’s most trusted names. Today, we have grown significantly to become a leading manufacturer of steel products, with a key expertise in steel roofing materials.

The objective of this technical visit is to focus on the innovative advancements in the field of metal roofing, specifically addressing the challenges and opportunities in enhancing structural integrity and promoting sustainability. This exposure will help engineers to understand the application of such engineering work in their field of practice or in their existing business. We are pleased to invite all members to participate in this visit. Details listed as follows:
