

Talk on “Polished Concrete: State of the Art from Europe to Asia” Presented by Cemseal Industries Sdn. Bhd.

In conjunction with the 51st Annual General Meeting of the IEM (Southern Branch)

Date : Saturday, 9 March 2024
Time : 8.30 a.m. (Registration starts at 8.00 a.m.)
Venue : Grand Paragon Hotel Johor Bahru
Speaker : Mr. Johannes Peeters, Deco Crete

Synopsis

An introduction into the chemistry behind polished concrete floors will be given, as well as the mechanical treatment to polish concrete using various abrasives and machines. The various classes of concrete polishing according to American Standards as well as gloss levels. This seminar will go into detail how to get the highest level of polishing and protection of concrete floors. A comparison will also be made between polished concrete and other protection methods like PU and epoxy. This seminar will also elaborate on differences between polished concrete in Europe and Asia, and explain the aspects of circular construction, which is a hot topic in countries like the Netherlands.
