Dear IEM (Southern Branch) Members,

**IEM SOUTHERN BRANCH ACADEMIC AWARD 2020**

Following the success of the Academic Awards during the 2019 Annual Dinner, IEM (Southern Branch) is continuing this programme for its members this year. These awards promote both the academic excellence and extra-curricular accomplishments, through recognition of achievements of primary and secondary school children of IEM (Southern Branch) members.

We once again would like to invite you as members of IEM (Southern Branch) to propose nominations of deserving students for consideration and evaluation by the executive committee. Kindly refer to the attached General Guidelines and submit all necessary documents accordingly. These awards are strictly limited to the children of IEM (Southern Branch) members.

In view of the current pandemic Covid-19 situation, nominated candidates would be presented awards and tokens via personal collection and arrangement with IEMSB secretariat office.

With this, we would like to remind everyone to stay vigilant and safe in these difficult times.

Thank you.

Yours faithfully,

---
