Webinar: Talk on “Sheet Membrane Technologies Over the Basement Waterproofing vs. Concrete Admixture”

Date : Saturday, 19 March 2022
Time : 9.00 a.m. – 11.00 a.m.
Venue : ZOOM Application
Speaker : Mr. Danny Yap, Sika Kimia Sdn. Bhd.

Synopsis

Below ground or basement structure is subject to different levels of exposure and stress, and they are design / build for different usages. Different types of exposure may adversely influence the use, watertightness and durability of a basement structure, resulting in a reduced service life of the entire structure. Therefore, different degree of water tightness is required for different basement depending on the usage.

This seminar will explore the two of the most commonly used waterproofing method which is sheet membrane and concrete admixture and the pros and cons between the two systems.

About the Speaker:

Mr. Danny Yap obtained his Bachelor of Marketing from Southern Illinois University at Carbondale in the year 1990. He is currently the Product Specialist Manager – Waterproofing at Sika Kimia Sdn. Bhd. Prior to his current position, he was the Marketing Manager and Product Manager – Waterproofing and Sealing & Bonding of this multinational company. He has more than 20 years of working experience in the construction industry. His current interests are in understanding the dynamics of the Malaysian building sector and introducing new techniques to improve the productivity and quality of workmanship. Mr. Danny has a keen interest in green products and sustainability structures.

Participant Fees:

	Online
IEM Member	RM 30.00
IEM Student Member	RM 10.00
Non-Member	RM 60.00

Closing Date: 17th March 2022

The webinar is strictly limited to **90 participants** only. Registration will be on a first-come-first-serve basis. Kindly return the reply slip to the IEM (SB) office before **17th March 2022** together with a non-refundable cheque for the participant fees made payable to **The Institution of Engineers, Malaysia (Southern Branch)**. Alternatively, you could bank-in the participant fees into the Institution’s Maybank Current Account (No. 5-013920-15708), and to facsimile both the Bank-in and Reply Slips to the Institution.
